THE AERONAUTICAL QUARTERLY

Editorial Board

As announced in the August 1982 issue, a new and enlarged Editorial Board has been appointed by Council of the Royal Aeronautical Society, with responsibility for all of the Society's publications.

The names of current members of this Board are published in the Annual Report of Council in May of each year, and copies may be obtained from the Secretary at 4 Hamilton Place.

Editorial Referees

The high standard of papers published in The Aeronautical Quarterly is the result of the care and vigilance of many specialist referees. Hardly a paper is published that has not been improved by their suggestions and their contribution to an author's work is often considerable. The Editorial Board and the Editor are pleased to acknowledge here, and to thank on the authors' behalf the following specialists who have refereed papers during the past year.
